

KEY HIGHLIGHTS

Europe: Bologna Process

Resource person: European Higher Education Area | Official Bologna Process coordination framework | Curated from EHEA

Europe: Bologna Process | Global Perspective | policy

- 01 The Bologna Process coordinates diverse national higher-education systems.
- 02 Comparable degree cycles and qualifications frameworks improve legibility.
- 03 ECTS supports accumulation and transfer of learning based on workload and outcomes.
- 04 The Diploma Supplement helps explain a qualification and its context.
- 05 Quality assurance and recognition support mobility across systems.
- 06 Implementation and professional recognition still vary by country and programme.
