01	Support has expanded through professionals, volunteers and trained community members, with different roles and responsibilities.
02	Visible information reduces the effort of finding help and signals that using support is an ordinary option.
03	A written link may be overlooked; a calm explanation tells students what the service does and how to reach it.
04	No. An approachable teacher listens and refers within their role while professional assessment and treatment remain with qualified people.
05	It needs a real, current route behind it, including a contact, access arrangements and an explanation of what happens next.
