- 01 Arjun moves from lecturing and fixing to protecting time, asking clearly and listening to what Kabir says.
- 02 A clear, calm question opens space for an honest response and helps connect someone with appropriate immediate support.
- 03 Explain that information is treated carefully, while serious safety concerns may require involving people who can help.
- 04 The student needs attentive listening and a workable next step, not assurances that exceed the teacher's knowledge or role.
- 05 Stay engaged and connect the student promptly with qualified support or emergency services appropriate to the situation.
